

**SHREEMARUTI INSTRUMENTS PVT. LTD.**

## ***Shreemaruti Instruments Pvt. Ltd.***

***Understanding Customer Needs***  $\Rightarrow$  ***Innovative Eco-Friendly Solutions***

**We are pleased to introduce ourselves as India's leading manufacturer of Process instruments like Valves and Manifolds, impulse tube fittings, Pressure Gauges, DPGs, Seal Diaphragm Gauges, Pressure Switch, Syphon Tubes Temperature Gauges, All types of RTDs & Thermocouples, Thermo-wells, Level Gauges and Accessories .**

SMIPL

## MESSAGE FROM

**Ramesh Patil**

Managing Director

**We wish to bring Innovations with Quality Solutions to enhance Productivity and reduce human errors in the Field of Oil, Gas, Piping and Industrial Instrumentation Sector**

# The Company

- ❖ Established in the year 2015 SMIPL today is the fastest grown Indian company.
- ❖ India's Leading Manufacturer of high quality instrumentation valves & Manifolds, fittings , Process instruments , impulse tube, Pressure Gauges, DPGs, Seal Diaphragm Gauges, Remote Seals , Pressure Switch, Syphon gauge cocks , Snubber ,Gauge saver, Temperature Gauges, RTDs & Thermocouples, Thermowells , Flushing Ring , Air Header, Condensate Pot, Level Gauges and Accessories .
- ❖ Products used world wide in plethora of countries by international organizations and leading industries.
- ❖ Specialized in design and development and is knowledgeable about customized products.

## About

- The production facilities already have certifications from reputable agencies like TUV for PED (Pressure Equipment Directive), CE, and ISO 9001-2015, 14001:2015, ISO45001:2018, among others. And most recently, an approved corporation by Engineers India Ltd. (EIL) based in Vapi, Dist. Valsad, State of Gujarat, India, granted us enlistment approval. SMIPL was founded in 2015 as a production facility with 5000 square feet of space for extremely precise products to serve all sectors of industry in India and the international market. Our technical competence comes from knowledgeable and experienced individuals from multinational corporations that have guaranteed and committed to a high-quality product in our line of work.
- Our product line is used in some of the most important equipment in industries like power, oil and gas, dairy, food and pharmaceutical, construction and infrastructure, and automobiles. In addition to the aforementioned, we already export our goods to Europe and South America. Our "state of the art" facilities are designed to set us apart from our competitors in terms of quick delivery and superior services.

Engineers India Limited

SMIPL

### MISSION

We strive to see ourselves as manufacturer of choice in International Market mainly American, Europe and Gulf Countries by 2024

### VISION

The company strives to provide the best possible solution to the customer by listening and understanding the various needs of the customer.

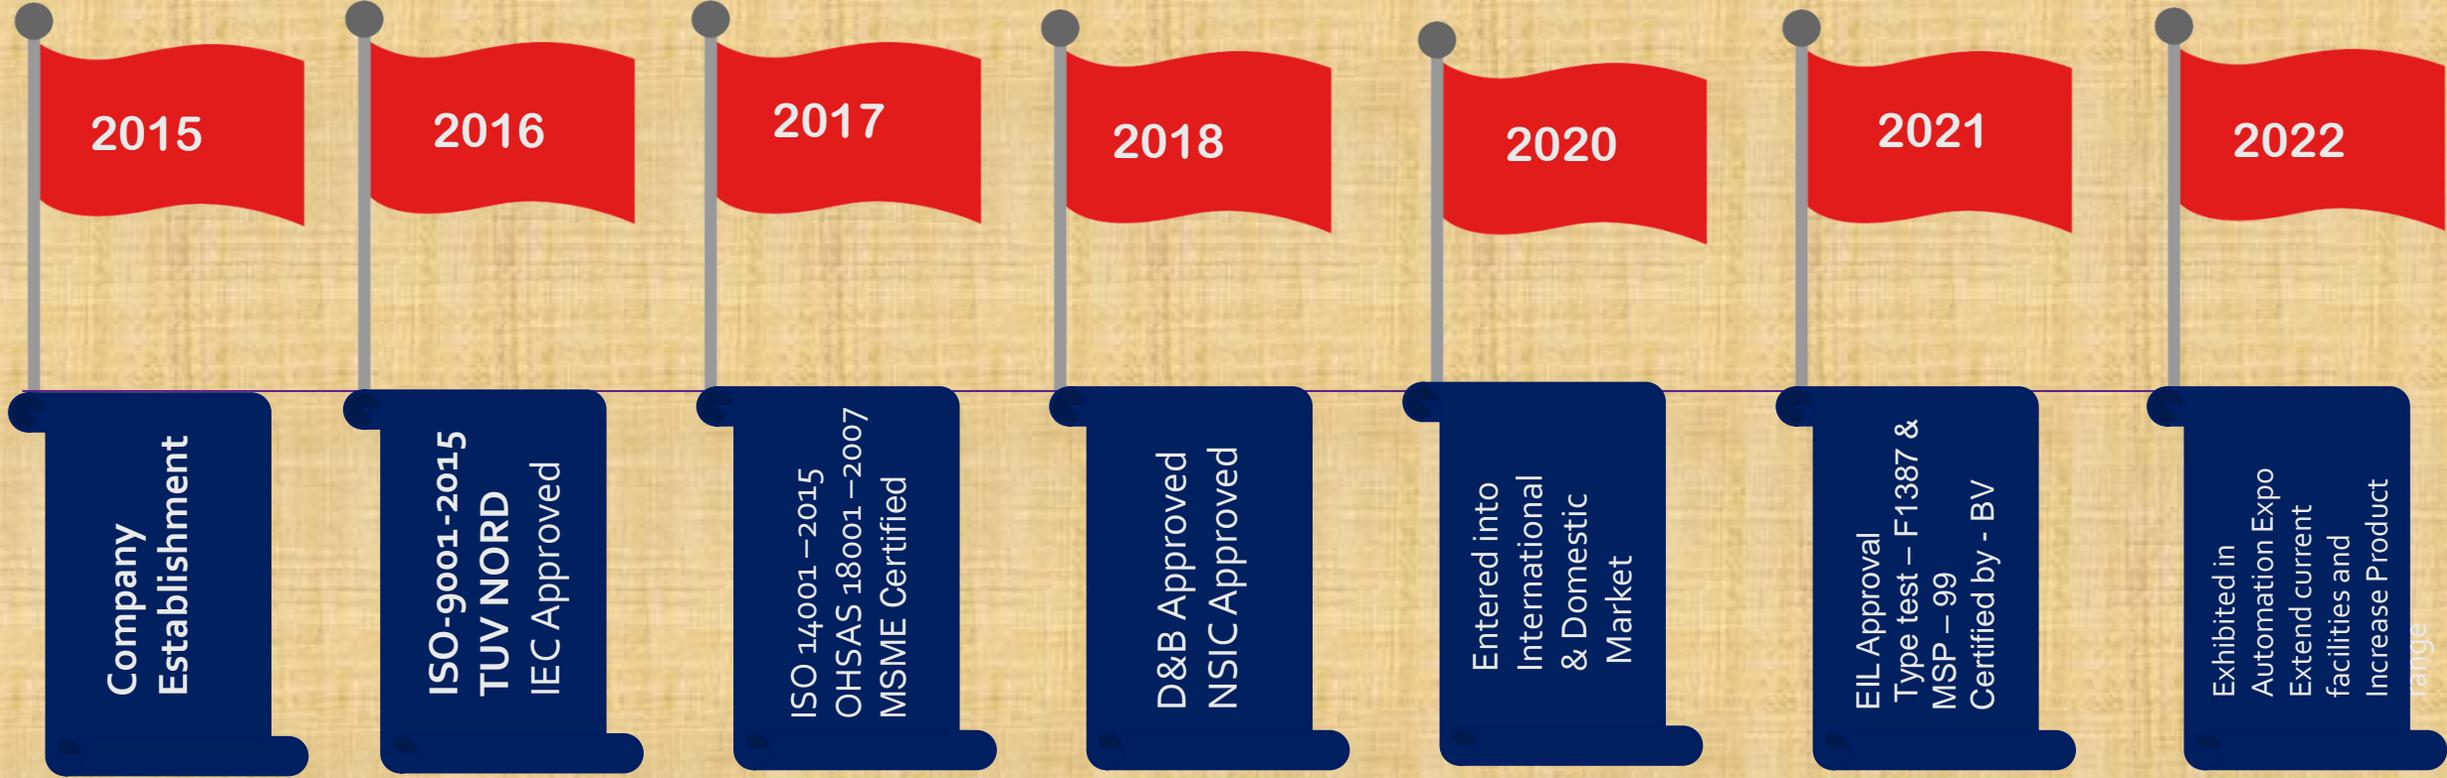

### AIM

We wish to establish ourselves with our values of continuous innovation, undying commitment and elaborate customer interaction.

## **Business Objectives**

- **India –Middle East Office Operations –Business Projects (Special) Lab and Process Scale**
- **In-house post-sale support and past/current supply of current customers across all of India and the Middle East based on all products.**
- **All Sectors of Field –Oil & Gas, R&D, Pharmaceuticals Institutions, Biotech, Life Science Labs, Medical , Microelectronics, Special Gas Companies, etc..**
- **Current Clients, PTRs, and References**
- **Direct marketing, brand development, product specialization, and market needs and customer demand.**
- **To develop a platform for attracting clients from various industries with a selection of connected goods and services.**

# SMIPL Milestones

**Royal Industrial Hub  
Plot.No.15 Survey  
No.30+31+2/2/2/ NH-8  
Road,  
Opp. Jai research  
Foundation, Village  
Valvada -396191 Vapi.  
Tal.Umbergaom Dist.  
Valsad Gujarat (India).**

# Manufacturing Facility

- ❖ Fully Integrated Manufacturing Facility
- ❖ High Precision CNC Machines
- ❖ High Precision Manual lathes.
- ❖ State of the Art Manufacturing Facility

## Our Strengths

1

Good manufacturing Practices

2

Attention to Details

3

Reliability

4

Quality Management System

5

Corrective and Preventative actions

6

In house support systems

7

Expertise and Wide Experience

8

Trustworthiness

9

International Exposure

10

Safe Environment working.

11

Team Building & Hitech Systems

12

Vision to Enter new range of Business

# QA CERTIFICATION

EIL Approved

ISO-9001-2015

ISO-14001-2015

OHSAS 18001-2007

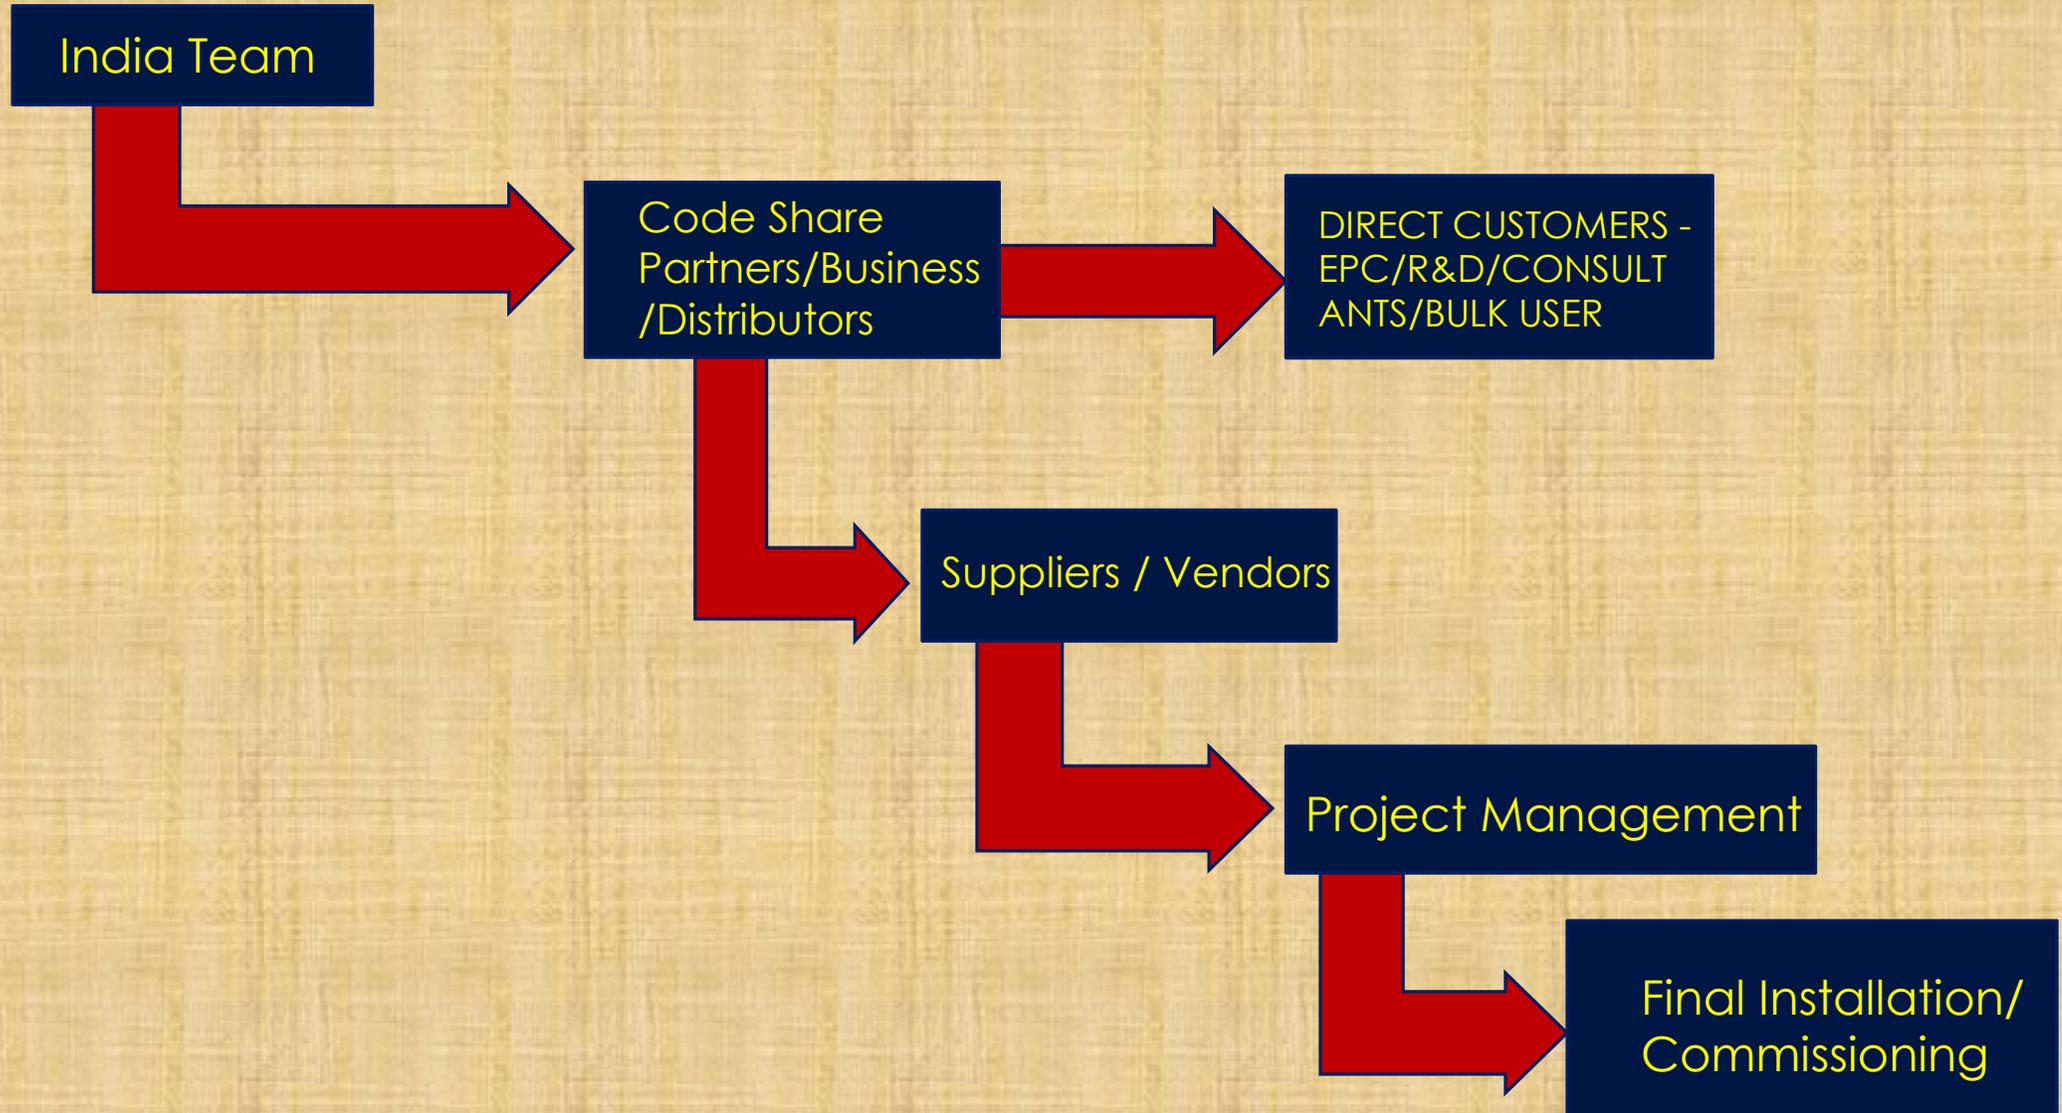

NSIC Approved

PED 2014/68/EU SEP

CE Marking

IEC Approved

MSME Approved

## Industry we Serve

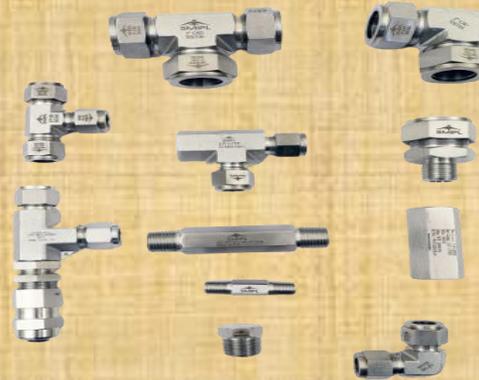

- Oil and Gas – Exploration
- Oil Refineries , Process Instrumentation
- Power Generation, CNG / PNG
- Natural Gas Distribution,
- Metallurgical and Mining,
- Railways, Fertilizers & Many More...

**Manifold Valves**

**Tube Fittings**

**Syphons**

**Gauge  
Cock**

**Pressure  
Regulators**

**Top Chamber/Bottom  
Chamber**

**Pressure Gauge**

**Thermowell**

Engineers India Limited

**SMIPL**

# OUR PRODUCTS

**Level Gauge Tubular**

**Air Header**

**Over Load Protector**

**Pulsation Dumper**

**Thermocouple**

**Condensate Pots**

**Flanges**

**Needle Valves**

Engineers India Limited

**SMIPL**

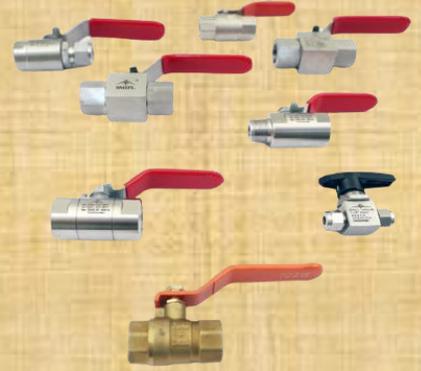

**OUR PRODUCTS**

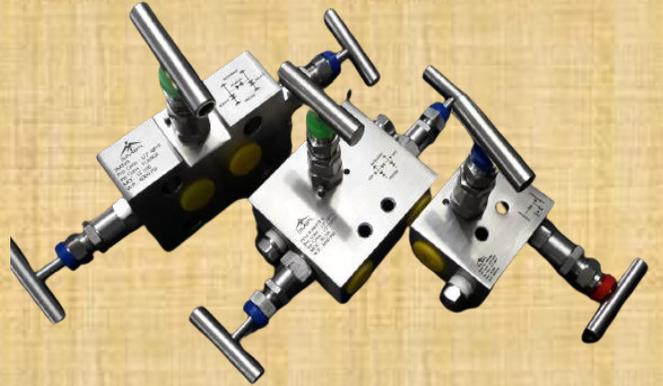

**Instrument Mono Flange**

**Union Elbow Fittings**

**High Pressure Ball Valve**

**Three Way Manifold Valve**

**Flange End Ball Valve**

**Manifold**

**R-Type Manifold**

**Pressure Hookups**

## **SMIPL Today.....**

- ❖ **Is the Indian company with the quickest rate of growth.**
- ❖ **Is a professionally run organization with a strong and driven team at its back.**
- ❖ **Has the most youthful and dynamic management of any brand in India.**
- ❖ **Is accepted by oil & gas end-users both in the Indian market and the global market.**
- ❖ **Has a supply of more than million components.**
- ❖ **Has representation in six nations.**
- ❖ **Has a large global customer base.**

## Consortium Business

- EPC
- Manufacturing and Configurations of Products
- Large Scale Products
- Capital Products
- Range of multiple basket of products for Total Gas and Liquid Solutions

## Future Business Sectors

- Micro Electronics
- Institutions / Research & Development
- Life Science
- DRDO
- Nano Technology / Biotech

## Future Scope

- Make in India.
- Export products from India
- Additions in Products and Systems
- Expansion of Infrastructure available

SMIPL
